

Angels Robbie Williams (Soprano)

Couplet 1:

.. sit and wait

Does an angel contemplate my fate

.. do they know

The places where we go

When we're grey and old....

'Cause I have been told

That salvation lets their wings unfold

So when I'm lying in my bed Mm (4tps)

Thoughts ↘ Mm (4tps) running through my head

And I ↘ Mm (3tps) feel that love is dead

I'm loving angels instead

Refrain:

And through it all she offers me protection

A lot of love and affection

Whether I'm right or wrong

And down the waterfall

Wherever it may take me

I know that life won't break me

When I come to call

She won't forsake me

Mm(2tps) I'm loving ↘ Mm(2tps) angels instead = Mm (3tps)
