

I can't help falling in love with you

Basses

Wise men say

"Only fools rush in"

But I can't help

Falling in love with you

Shall I stay?

Would it be a sin

If I can't help

Falling in love with you?

Like a river flows

Surely to the sea

Darling, so it goes

Some things ouh

are meant to be

Take my hand

Take my whole life, too

For I can't help

Falling in love with you

ouh ouh ouh ouh

Like a river flows

Surely to the sea

Darling, so it goes

Some things are meant to
be

Take my hand

Take my who-ole li-ife,

too-oo-oo-oo

For I can't help

Falling in lo-ove with

you--ou--

Ralentic...

For I can't help

Falling in love with you-ou
