

# I can't help falling in love with you

## Ténors

Wise men say  
"Only fools rush in"  
But I can't help  
Falling in love with you

Shall I-I-I stay?  
Would it be a si-in  
If I can't help  
Falling in love with you?  
Like a river flows  
Surely to the sea  
Darling, so it goes  
Some things ouh  
are meant to be  
Take my-y-y hand  
Take my whole life, too

For I can't help  
Falling in love with you  
ouh ouh ouh ouh  
Like a river flows  
Surely to the sea  
Darling, so it goes  
Some things are meant to  
be  
Take my han-and  
Take my who-o-ole life,  
too-oo-oo-oo  
For I can't help  
Falling in lo-ove with  
you-ou-ou---ou  
Ralentir...  
For I can't help  
Falling in love with you
